Sit&Feed Pricing 2023

We come to your home to feed, cuddle and play with your Kitty at a time and for a duration that suits you!

We offer Sit&Feed from 8am until 10pm and our free App provides you with notifications of your Sitter, photograph and Visit Report straight to your phone or smart watch. You can also view your Upcoming Scheduled Visit, make changes to and cancel your Bookings.

We have a Free Registration to do in advance with you and your Kitties to hear all their likes and dislikes and get to know them before their first walk so it's not a stranger coming to be with them the next time.
