

## Come&Stay Doggo Pricing 2023

Come&Stay is our most popular service!

Your Doggos join our homes as part of our family. They have cuddles on the couch, sleep in our beds and play in our gardens/pools with our dogs as well as joining us for trips to the beach, lunch dates in town etc...

The Family your Fur Baby would join depends entirely on your Doggo so we have a Free Registration to do in advance with you and your Doggo in your home to hear all their likes and dislikes and to place them in the perfect home.

On our free App you can speak directly with your Sitter and get daily photo/video updates.

The below Packages are based on 1 x Adult Doggo (1 Year +), if you've more than one Doggo then there's a 50% Discount on the second and if your Doggo is under 1 Year Old there's an additional Puppy Charge of 100le.

Please be aware that there is an additional Cleaning Fee of 500le if Adult Doggos go Peep or Poop inside our homes.
