

Dog Walking Pricing 2023

We offer Dog Walking from 8am until 10pm and our free App provides you with notifications of your Walker, a GPS route, timer, photograph and poop report straight to your phone or smart watch. You can also view your Upcoming Scheduled Walks, make changes to and cancel your Bookings.

The below Packages are based on 1 x Adult Doggo, if you've more than one Doggo then there's a 50% Discount on the second and third. Four or more Doggos in one household will require two Walkers and therefore be charged as two Visits.

We have a Free Registration to do in advance with you and your Doggo to hear all their likes and dislikes and get to know them before their first walk so it's not a stranger coming to take them away the next time. This is mandatory in your home with you and your Doggo to prevent attacks on our Team Members and to prevent unnecessary stress to your Doggo.
