

BabySitting Pricing 2023

Do you have a rambunctious hurricane like us? A cheeky monkey? A peaceful soul? Or a quiet scholar?

As parents we understand how hard it can be leaving your child in someone else's care, which is why our Registration process tells us all we need to know and puts your mind at ease.

We simply come to your home at a convenient time and meet you and your child, that way it's not a stranger coming to be with them when we come for sits!

Then we fill in a small form with all their likes and dislikes, any allergies and other important information like nap and snack times.

Then just give us a call and we can come whenever you'd like!
