

Come&Stay Kitty Cat Pricing 2023

Come&Stay is our most popular service!

Your Kitties join our homes as part of our family, have cuddles on the couch, sleep in our beds, play in our gardens etc...

The Family your Fur Baby would join depends entirely on your Kitty so we have a Free Registration to do in advance with you and your Kitty in your home to hear all their likes and dislikes and to place them in the perfect home.

On our free App you can speak directly with your Sitter and get daily photo/video updates.

The below Packages are based on 1 x Kitty, if you've more than one Kitty then there's a 50% Discount on the second.

Please be aware that there is an additional Cleaning Fee of 250le if your Kitty goes Peep or Poop inside our homes.
