

24HourCompanionship Kitty Pricing 2023

Our 24HourCompanionship Sit is perfect for those households with two or more Pets!

We move into your home and take care of your Fur Babies in their own environment while also taking responsibility for your house and your possessions.

We have a Free Registration to do in advance with you and your Kitties in your home to hear all their likes and dislikes and to place them with the perfect Sitter.

On our free App you can speak directly with your Sitter and get daily photo/video updates.
